AVON CLASSIC RALLY

YORK AVON CLASSIC RALLY

18th October 2015

After the success of rallies in 2013 and 2014 we are now into the planning of the 2015 event.

We will again be providing a complimentary morning tea at the start in Avon Park for all participants, a vehicle skill test at the finish and a hot roast luncheon at a licensed venue you will find in the York area.

This year as in the past we are holding three rallies in one, 'with the first vehicles leaving Avon Park at 9.00am'.

Veteran, Vintage and Tractors will again travel approximately 60kms. The difference is that while all these classes will start and finish at the same time, the tractors will deviate onto their own route, including gravel roads, bush tracks and hopefully a water crossing, rejoining the Veteran and Vintage vehicles for a vehicle test before lunch. Vintage, Veteran and the Tractors will each be competing in their own categories and separate trophies and team awards will be presented.

The Modern Classic vehicles and sports cars will cover approximately 120kms on new and scenic roads taking in even more of the picturesque Avon Valley, before their vehicle test, Luncheon and Trophy presentation.

During the luncheon there will be a photo slideshow of the event and participants will be able to order their favorites which can be emailed to their email address.

As in previous years, a full page coverage in The Countryman, the Avon Gazette and the York Community News, and a two page spread in the Early Auto Magazine are anticipated.

ENTRY FEE : JUST \$10 PER VEHICLE

LUNCHEON : \$30 per person

Drinks : extra
