

Event Report

Speed Dome 8th October

A fine sunny day, a slippery track, overdoses of adrenalin and testosterone, some good driving and some bad luck, all came together for a great Club autokhana day. President John broke a radiator pipe on his first run, and the little cars had the wood on the big cars on a tight layout. Wrong Ways and Garaging errors were evenly spread!

Driver	Car	Best Time (secs)
Graeme Butler	1998 M Roadster	69.15
John Cottam	1988 M3	69.94
Mark Lewis	2004 M3	70.12
